VERY URGENT

To the Commands of the: 1st and 2nd KK /Krajina Corps/, SRK /Sarajevo-Romanija Corps/, IBK /Eastern Bosnia Corps/, HK /Herzegovina Corps/, DK /Drina Corps/, V /Air Force/ and PVO /Anti-Aircraft Defence/
– Commanders, Chiefs of Staff, personally

Due to the likelihood of reaching a ceasefire agreement around Sarajevo, and in order to take urgent measures in good time, I hereby

ORDER:

1. – In the course of today and tomorrow the Command of the SRK shall /?move/ artillery from other positions towards Sarajevo, mainly inoperative weapons, which shall be put up at the appropriate firing positions around Sarajevo. The commanders of the HK and the DK shall put the inoperative weapons unconditionally at the disposal of the /illegible/ commander in order to /?disguise/ our intentions.

If a ceasefire agreement for Sarajevo is signed these (inoperative) artillery pieces would again be removed from Sarajevo, while the current basic weapons would remain at the firing positions.

Bring in the new (inoperative) weapons towards Sarajevo in the course of the night of 9-10 February 1994, and pull them out, if an agreement is reached, only during the day and in good visibility to make it as evident as possible to UNPRBSO JAR /as printed/ and the Muslims.

2. – I prohibit the movement of infantry from the current positions; demand from local Muslim commanders to /?pull back/ infantry into Sarajevo, or, with our permission, to withdraw from Sarajevo to other areas.

3. – As long as there is a threat of NATO air strikes against our forces, do not /?turn/ the infantry, artillery and OMJ /armoured and mechanical units/ /?away/ from the Muslims and UNPROFOR, and do everything to maintain direct contact including full fortification.

4. – In the event of NATO air strikes attack (but do not kill) all foreigners in Republika Srpska, including personnel of UNPROFOR and humanitarian organisations, take them prisoner and hold them hostage until air strikes are discontinued by NATO.

If necessary, use blackmail and exert pressure in order to have them terminate the air strikes.

DEPUTY COMMANDER
Major General
Manojlo MILOVANOVIĆ
